

MANOLE CAPITAL'S FLAGSHIP FINTECH

Manole Capital is a boutique asset manager, entirely focused on the emerging FINTECH industry. Our flagship FINTECH portfolio employs a bottoms up, fundamental research approach. We prefer to own transparent, transaction-based business models, generating predictable free cash flow. Most investors make FINTECH investments through illiquid, private companies. This concentrated portfolio offers investors a transparent and liquid way to gain FINTECH exposure.

All performance results are based on the strategy's composite returns and include accruals and the reinvestment of all dividends, interest and capital gains. The Flagship FinTech composite represents all fully discretionary, fee-paying, separately managed account (SMA) portfolios within the Fin Tech investment strategy. Performance is presented in US Dollars. Any investment or strategy managed by Manole is speculative in nature and there can be no assurance that the investment objective(s) will be achieved. Past performance is not a guarantee of future results. Manole Capital Management, LLC is a registered investment adviser with the State of Florida. Manole claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. GIPS® is a registered trademark of CFA Institute. CFA Institute does not endorse or promote this organization, nor does it warrant the quality or accuracy of the content contained herein. Manole has been independently verified for the periods March 1, 2015 through December 31, 2021. The verification report is available upon request. A firm that claims compliance with the GIPS standards must establish policies and procedures for complying with all the applicable requirements of the GIPS standards. Verification provides assurance on whether the firm's policies and procedures related to composite and pooled fund maintenance, as well as the calculation, presentation, and distribution of performance, have been designed in compliance with the GIPS standards and have been implemented on a firm-wide basis. The Fin Tech composite has had a performance examination for the periods March 1, 2015 through December 31, 2021. The verification and performance examination reports are available upon request.
